

<개인정보 이용 동의서>

2

- The purpose for which the recipient of personal information uses such information: To verify whether the Applicant or Principal requested to be issued with the Apostille or Certificate of Authentication of the underlying document
 - Particulars of personal information to be provided:
 - Personal information of the Applicant or Principal stated in the Request for Apostille or Certificate of Authentication
 - Personal information of the Applicant or Principal stated in the copied underlying document(including sensitive information listed in Article 18 of Enforcement Decree of the Personal Information Protection Act, passport number, driver's license number, or foreigner's registration number stated in Article 19 of the same Enforcement Decree, if the document contains such information)
 - The period for which the recipient retains and uses personal information: Decided pursuant to the laws and regulations of the country of destination
2. Disagreeing to the Use of Personal Information will not affect the process of issuing Apostille or Certificate of Authentication of the Republic of Korea. Please note, however, that Apostille or Certificate of Authentication of the Republic of Korea may not be accepted in other countries if you do not provide your consent.
